Cards
Empire and Victory

This is the first album from **lay down mains**, a hard rock trio comprised of (l to r) Lee Corum on drums, David Lane playing bass guitar and Rick Moore playing guitar/singing. Each player has at least 10 years experience in the Atlanta music scene. **lay down mains** will be touring and promoting 'Mama, Go Rest On High' (Moodswing Records Catalog #MS047) through the remainder of 2008 and into early 2009.

These 13 original songs were composed and refined through collaboration among, and contributions by, all three band members. The songs are loud, aggressive and concise. It is music derived from the punk rock, rock-n-roll and progressive rock genres that these men grew up listening to.
